

BALL ON THE WALL

Extra Small, Matte Black

Meant to be grouped in a kicky array of arrangements, our Ball on the Wall sculptures reflect our playful sense of style when it comes to our wall decor. Along with this Extra Small Black Ball on the Wall, we offer small, medium, and large black balls; and we have the same sizes in gray and in white. Those of you who've been fans of our brand for a while know that we at Phillips Collection are fascinated by trying to find new ways to bring whimsy to the wall and our Ball on the Wall series, made of composite, does so with panache. Imagine a grouping on an accent wall in a contemporary home filled with modern art or in an upscale apartment with a Boho Chic style and you get why we say these products reflect our ethos of modern organic.
