

FASHION FACES WALL ART

Large, Kiss, White and Gold Leaf

Few features of the human face illustrate a person's mood more than the mouth. With our Fashion Faces Wall Art Collection, there's no doubt a trio of emotions are passing across our fashionistas' profiles. The kiss brings a moment of intimacy to the Fashion Faces Large Kiss White and Gold Wall Art, one of three decorative sculptures made of composite in a mix of crisp white and bright gold finishes. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
