

FASHION FACES WALL ART

Small, White and Gold Leaf, Set of 3

Few features of the human face illustrate a person's mood more than the mouth. With our Fashion Faces Wall Art Collection, there's no doubt a trio of emotions are passing across our fashionistas' profiles. The Fashion Faces Small White and Gold Wall Art Set includes three decorative sculptures made of composite in a mix of crisp white and bright gold finishes. These beauties with perfect bangs include smiling, pouting, and kissing wall sculptures. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
