

SPLITCH MIRROR

Gold Leaf

The moon couldn't have created surfaces as winsome as those on our Splotch series of decorative mirrors and wall art, which includes the Splotch Gold Mirror. Rather than molten metal creating the craters that flow along the frame, the decorative mirror is made of composite in a gold leaf finish. We also offer this mirror in a silver version and we have a number of wall tiles in varying sizes and finishes, each of which reflects the ethos that Phillips Collection personifies: modern organic.
