

RIPPLE WALL DISC

Set of 4, Resin, LG, Silver Leaf with Antiquing

The Ripple Silver Wall Disk Set creates a sleek gallery wall installation in one package. Made of composite in a silver leaf finish, these silver wall tiles will look stunning on a dark surface given the sheen and the rings that are pressed into their surfaces, which bring them a hint of texture. We also offer a decorative mirror, a side table, and a coffee table in this family of products. These decorative sculptures for the wall reflect the ethos that Phillips Collection personifies: modern organic.
