

## RIPPLE MIRROR

Resin, LG, Silver Leaf with Antiquing

The Ripple Large Silver Mirror is a luminous round mirror made of composite in a silver leaf finish. It will look stunning on a dark surface given the sheen and the rings that are pressed into its surface, which bring it a hint of texture. We also offer a set of four wall disks, a side table, and a coffee table in this family of products. This decorative mirror reflects the ethos that Phillips Collection personifies: modern organic.
