

CAST ONYX BOWL

Silver Leaf, Large

Though it is made of composite rather than metal, the Large Cast Onyx Silver Bowl is a fluted decorative vessel that looks as if it has been created with molten magic. The sculptural decorative accessory can be filled with any number of ornaments to make it more festive, but the antique-inspired shape makes it just as beautiful when left unfilled. We also offer this design in a smaller size. These nods to vintage vessels reflect Phillips Collection's ethos: modern organic.
