

## JAGGED SPLASH BOWL WALL ART

Liquid Silver

Though it is made of composite rather than metal, the Jagged Splash Bowl Liquid Silver Wall Art is a fluted decorative vessel that looks as if it has been created with molten magic. The sculptural decorative accessory projects from the wall to create an undulant wall sculpture. We offer this design in a number of finishes, and the Splash Bowls are available as tabletop sculptures. These explosive patterns reflect the ethos that Phillips Collection personifies: modern organic.
