

## ANTIQUE CUADRITOS

### Silver Leaf

There's a certain magic to arrangements of four elements on a wall, especially when there are slight variations in the design of each piece. The Cuadritos Silver Wall Tile Set fits this description perfectly. Made of composite in a silver leaf finish, the four tiles in identical sizes have contrasting circular motifs on each that vary slightly to create the tension interior designers seek for the rooms they design. The intermingling of round and square also personifies the Phillips Collection ethos of modern organic.
