

ELONGA PLANTER

Banana, LG

The checkered finish on the Elonga Large Banana Planter convinces the eye that this tall planter with contemporary lines is made of wood but it's fashioned from composite, which our talented finish artisans have given an earthy feel. This means it will far outlast any brown planter made from a natural material. The combination of texture and a clean profile makes this piece a shoe-in for the Phillips Collection ethos, which we call modern organic. We offer several finishes and sizes of this design.
