

BARK PEDESTAL

Silver Leaf, LG

Imitating Nature is one thing, but bringing the elemental symbols we see in the woods a hint of bling is a passion for us at Phillips Collection. A case in point is our Silver Bark Pedestal, which is made of composite in a luminous silver leaf finish. Cast from a real log, this tree-trunk pedestal personifies our ethos of modern organic. By treating the surface of this log pedestal to such a brilliant finish, we've created a chic piece for contemporary interiors.
