

BARRAMUNDI FISH WALL SCULPTURE

Resin, Silver Leaf

The Barramundi Wall Sculpture is made of composite in a silver leaf finish. This likeness of the seafaring creature is a chameleon of style—hang it in a modern kitchen and it takes on a zesty panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Barramundi Wall Sculpture with its luminous finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. Each of our nautical pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
