

FREEFORM BENCH

Silver Leaf

When we spot a shape that blows us away, the designers at Phillips Collection are not shy about bringing a bit of bling to elemental symbols we see in the woods. Case in point is our Freeform Silver Bench, which is made of composite in a luminous silver leaf finish. Cast from one of our favorite Origins pieces of wood, this tree-trunk bench personifies our ethos of modern organic. By treating the surface of this tree root bench to such a brilliant finish, we've created a chic piece for contemporary interiors. Just imagine how perfectly it will fit into the décor of a modern apartment or a sleek coastal condo! We also offer the table in several sizes and in a number of finishes that are equally stunning.
