

ORB WALL TILES

Set of 3, Gold Leaf

Bringing sheen into an interior is one of the easiest ways to create tonal interest. With this in mind, we created our Orb Gold Wall Tile Set that includes three perfectly round wall sculptures. Made of composite in a gold leaf finish, the gold discs extend from the wall just enough to feel sculptural, though they are thin enough to hang in hallways, foyers, and other spaces where foot traffic is an issue. The fact that we've created these sculptures to look like metal but they are fashioned from a much lighter material makes them perfect for the Phillips Collection ethos of modern organic.
