

BARK COFFEE TABLE

Silver Leaf

Imitating Nature is one thing, but bringing the elemental symbols we see in the woods a hint of bling is a passion for us at Phillips Collection. Case in point is our Bark Silver Coffee Table, which is made of composite in a luminous silver leaf finish. Cast from a real log, this tree-trunk coffee table personifies our ethos of modern organic. By treating the surface of this log coffee table to such a brilliant finish, we've created a chic piece for contemporary interiors. Just imagine how perfectly it will fit into the décor of a modern apartment or a sleek coastal condo! We also offer the Bark Coffee Table in a bronze finish that is a warm juxtaposition to the brightness of the silver version.
