

NEGOTIATION COFFEE TABLE

Char

The Negotiation Coffee Table is cast in composite to look like it has a rough stone top. This dark brown rock-like tabletop perches on u-shaped stainless-steel legs that pierce the top to serve as a point of contrast. These rugged tables reflect the ethos that Phillips Collection personifies: modern organic. The high polish on the steel makes the brown coffee table contemporary, while the top brings it a rough luxe touch.

Size	47x34x17"h (51x38x21"h packed)
