

MACKEREL FISH WALL SCULPTURE

Resin, Silver Leaf

The Mackerel Silver Wall Sculpture is made of composite in a silver leaf finish. This likeness of the lake creature is a chameleon of style—hang it in a modern kitchen and it takes on a zesty panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Mackerel Silver Wall Sculpture with its luminous finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. We also offer the Mackerel in a gray finish. This is one of our pieces of decorative wall art that reflects the ethos that Phillips Collection personifies: modern organic.
