

BARRACUDA FISH WALL SCULPTURE

Resin, Polished Aluminum Finish

The Barracuda Gray Wall Sculpture is made of composite in a polished aluminum finish. This likeness of the seafaring creature is a chameleon of style—hang it in a modern kitchen and it takes on a warm panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Barracuda Gray Wall Sculpture with its handsome finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. We also offer this sculpture in a silver version. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic.
