

## **COPSE STOOL**

### **Silver Leaf**

A single striking, unexpected finish can bring unity to a range of disparate pieces. In this case, it is silver leaf. Whether applied to an ethnic artifact, a natural form, or very traditional furniture, it re-imagines traditional as modern, and old as new. Take an ancient craft, combine it with an organic design inspired by natural forms, and give it a very modern finish. The Log series mixes inspirations to create a series of beautiful, whimsical lacquer tables. Elegant and elemental.
