

CRAZY CUT DINING TABLE

Facets always bring extra liveliness to a design, which is evident in our Crazy Cut Collection of furnishings. Case in point is the Crazy Cut Dining Table with a segmented surface that will make it a lively element whether it's coffee in the breakfast room or dinner with your pals. Made of composite and stainless steel in a brilliant silver finish, this whimsical silver dining table will be the talk of any party. We have a number of furnishings in this series—from a club chair and side tables to a decorative mirror and coffee tables. Each of these pieces reflect the ethos that the Phillips Collection personifies: modern organic.
