

## BLACK TIP REEF SHARK

Polished Aluminum

The Black Tip Reef Shark Gray Wall Sculpture is made of composite in a polished aluminum finish. This likeness of the seafaring creature is a chameleon of style—hang it in a modern kitchen and it takes on a zesty panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Black Tip Reef Shark Gray Wall Sculpture with its handsome finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. This decorative wall art reflects the ethos that the Phillips Collection personifies: modern organic.
