

RIVULET MIRROR

Silver Leaf

The Rivulet Silver Mirror gets its name from the ridges that run along its frame to form textural peaks and valleys. Made of composite in a gleaming silver leaf finish, the silver decorative mirror will bring both brightness and patina to a space, a difficult combination to achieve. The patina results from the darker fissures that capture more of the finish than the raised striations do. This rectangular mirror is perfectly in sync with the Phillips Collection ethos of modern organic.
