

HEAR NO EVIL SLENDER SCULPTURE

Small, Resin, Silver Leaf

Thin is in, as the saying goes, which means the Hear No Evil Large Silver Sculpture will be a remarkably popular decorative accessory in any décor style. Designer Raymond Waites has created this family of decorative sculptures, one of our most popular collections. This pared-down sculpture is cast in composite and finished with silver leaf to make it feel like metal. We also offer the silver sculpture in a smaller size and in several different sizes in a bronze finish. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
