

LARGE MOUTH BASS FISH WALL SCULPTURE

Resin, Silver Leaf

The Large-Mouth Bass Wall Sculpture is made of composite in a silver leaf finish. This likeness of the lake creature is a chameleon of style—hang it in a modern kitchen and it takes on a zesty panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Large-Mouth Bass Wall Sculpture with its luminous finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. This is one of our pieces of decorative wall art that reflects the ethos that the Phillips Collection personifies: modern organic.
