## KIWI BIRDS WALL ART

Set of 4, Silver Leaf

Though interior design is a serious subject, bringing a hint of whimsy to a space is just as powerful a topic. The playful profiles of the Kiwi Birds Silver Wall Art Set will be conversation starters for sure. Made of composite in a silver leaf finish, the four feathered likenesses are in two sizes, which makes creating a grouping of them fun. The baby has a more compact appearance while the mature bird sculptures have long bills that will tease a smile each time they are seen.
