

## SPARROW BIRDS WALL ART

Set of 2, Gold Leaf

Though interior design is a serious subject, bringing a hint of whimsy to a space is just as powerful a topic. The playful profiles of the Sparrow Gold Wall Art Set will be conversation starters for sure. Made of composite in a gold leaf finish, the two feathered likenesses are in two positions, which makes creating a grouping of them fun. One seems to be searching the horizon while the other is scouring the ground, as real birds often do. Paired as they are, they will tease a smile each time they are seen.
