

LABRADOR DOG, SITTING

Silver Leaf

The fact that it is both playful and powerful makes our Sitting Labrador Dog Sculpture a paradoxical decorative accessory. Ears lowered and expression serene, it's man's best friend without the hassle of maintenance! A true artisanal piece, the decorative dog sculpture is made of composite in a variegated aluminum finish in which black and silver bring it added patina. We offer many similar sculptures in a number of dog breeds. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
