

BLUE MARLIN FISH

Aluminum Finish

The Blue Marlin Gray Wall Sculpture is made of composite in a polished aluminum finish. This likeness of the seafaring creature is a chameleon of style—hang it in a modern kitchen and it takes on a warm panache; place it in a child's bedroom and it will become a playful element in the space. Whether you have a lakefront home, a beachfront condo, or an urban oasis, the Blue Marlin Gray Wall Sculpture with its handsome finish will bring the watery world inside. Powerful on its own, group this sculpture in multiples to create a school of fish for added impact. We also offer this sculpture in maroon and silver versions. Each of these pieces of decorative wall art reflects the ethos that Phillips Collection personifies: modern organic
