

SQUARE ROOT CONSOLE TABLE

Silver Leaf

The Cast Naturals Collection highlights our skills at taking an innovative material and making it feel as if it sprang from Nature. The Square Root Silver Console Table is made of composite that has been molded to look like a piece of harvested wood that took Nature eons to create and is finished in silver leaf. The advantage of having a console table made from this durable material is that it will long outlast its natural counterparts pulled from the forest floor. This console table perfectly represents the Phillips Collection ethos: modern organic. We have Square Root products in several configurations and finishes.
