

SHEEP SIDE TABLE

Peach/Cream

Playful and functional, the Sheep Side Table is cast from composite to be as lovable as it is fully functional as a side table. The inspiration for this ivory side table with pale peach accents was our popular sheep sculpture. We simply flattened the top to make it a usable surface. What child's bedroom wouldn't be a happy place with this table in the space? This is one of our offerings that reflects the ethos that Phillips Collection personifies: modern organic.
