

RHINO WALL ART

Resin, Gold Leaf

The Rhino Gold Wall Art brings a room all of the exoticism the big game hunter has been afforded throughout history without having to spend time schlepping across the plains of Africa! Plus, there's no guilt for the non-hunter with our luminous gold sculpture, as it is made of composite in a gold leaf finish. Who knew an animal known for its might could look so glamorous! We also offer this sculpture in a silver leaf version. Each of these decorative accessories reflects the ethos that Phillips Collection personifies: modern organic.
