

LAURA VASE

Gold Leaf

The Laura Gold Vase is a gold vessel in a long-necked bottle shape made of composite in a luminous gold leaf finish. The decorative accessory will shine even when flowers are absent thanks to its brilliant surface. We offer the Laura in three finishes, which makes them even prettier when grouped. Combining the gold Katha and Julian vases with this version of the Laura also creates a powerful arrangement. All of these reflect the ethos the Phillips Collection personifies: modern organic.
