

STARFISH

Silver Leaf, Set of 4, MD

The Victorians were fascinated with botanical clippings, exotic flowers, and oceanic specimens collected on trips. Bringing the penchant for the seaside into contemporary times, the Starfish Medium Silver Wall Sculpture Set includes four luminous creatures that create a whimsical wall of liveliness. Made of composite in a silver leaf finish, the silver starfish have realistic profiles that imitate their natural counterparts perfectly. These wall sculptures personify the Phillips Collection ethos of modern organic. We also offer this design as large and small silver sculptures, as well as a gold finish in the same sizes.
