

LAURA VASE

Silver Leaf

The Laura Silver Vase is a silver vessel in a long-necked bottle shape made of composite in a luminous silver leaf finish. The decorative accessory will shine even when flowers are absent thanks to its brilliant surface. We offer the Laura in three finishes, which makes them even prettier when grouped. Combining the silver Katha and Julian vases with this version of the Laura also creates a powerful arrangement. All of these reflect the ethos the Phillips Collection personifies: modern organic.
