

JULIAN VASE

Silver Leaf

The Julian Silver Vase is a silver vessel in a flared flask shape that is made of composite in a luminous silver leaf finish. The decorative accessory will shine even when flowers are absent thanks to its brilliant surface. We offer the Julian in three finishes, which makes them even prettier when grouped. Combining the silver Laura and Katha vases with this version of the Julian also creates a powerful arrangement. All of these reflect the ethos the Phillips Collection personifies: modern organic.
