

SABER TOOTH TIGER SKULL

Black, Gold Leaf

The Gold Saber Tooth Tiger Skull brings a room all of the exoticism the big game hunter has been afforded throughout history without having to spend time schlepping through jungles! Plus, there's no guilt for the non-hunter with our toothy gold sculpture, as it is made of metal in a gold leaf finish. We've added a hint of glint to this jaw-dropping decorative accent by covering the tiger's lower jaw in a black finish. We also offer this sculpture in gold/white and silver/black versions. Each of these decorative accessories reflects the ethos that the Phillips Collection personifies: modern organic.
