

## STAG DEER HEAD

White, Gold Leaf

The Stag Deer Head Wall Art brings a room all of the exoticism the big game hunter has been afforded throughout history without having to spend time schlepping across the Rocky Mountains! Plus, there's no guilt for non-hunters with our luminous white and gold sculpture, as it is made of composite in a mix of lacquered white and gold leaf finishes. Who knew an animal known for its ruggedness could look so glamorous! This decorative accessory reflects the ethos that Phillips Collection personifies: modern organic.
