

STACKED STOOL

Bronze

Gleaming and contemporary in its lines, the Stacked Polished Bronze Stool is so versatile, most interior styles will welcome it with aplomb. Made of composite in a polished bronze finish, the lightweight nature of the material from which it is made means it is very easy to move around without sacrificing strength. Place it almost anywhere for a last-minute addition to a seating grouping, or pull it up to a sofa or club chair and it becomes a drinks table. We also offer this design in a gel-coat white finish.
