

FEATHERS WALL ART

Small, Gold Leaf, Set of 2

Bringing Nature indoors is one of the elemental moves we are adept at making when we are designing our furnishings. With the asymmetrical shapes that emulate real bird feathers that have been thoroughly preened, our Feathers Small Gold Wall Art Set is made of composite in a luminous gold leaf finish. Arching toward each other, the decorative wall sculptures also vary slightly in size to create a textural installation that will bring beauty to any room. We also offer the gold set in a large size, and we have both the small and large sets in silver. Each of these sets reflects the ethos that Phillips Collection personifies: modern organic.
