

## TURBO PLANTER

Gel Coat White

The undulant pattern etched into the Turbo White Planter convinces the eye that this flared planter with contemporary lines is made of clay but it's fashioned from composite, which our talented finish artisans have given a pastel softness. This means it will far outlast any white planter made from a natural material. The combination of texture and a clean profile makes this piece a shoe-in for the Phillips Collection ethos, which we call modern organic. We offer several finishes of this design.

Size	16x16x12"h (17x17x14"h packed)
Weight	8 LBS (10 LBS packed)
Material	Resin
Finish	Gel Coat
Color	White
SKU	PH67841
