

BURLED ROOT WALL ART

Small, Silver Leaf

The Cast Naturals Collection highlights our skills at taking an innovative material and imitating Nature. The Burled Root Small Silver Wall Art is made of composite, which has been molded to look like a piece of petrified wood it took nature eons to create, and then covered in a luminous silver leaf finish. The advantage of having a decorative accessory made from this durable material is that it will long outlast its natural counterparts pulled from the forest floor. This piece is the perfect representation of the Phillips Collection ethos: modern organic.
