

GREAT DANE

Bronze, Right

The fact that it is both playful and powerful makes our Bronze Right Great Dane Sculpture a paradoxical decorative sculpture. Ears raised and expression attentive, it's man's best friend without the hassle of maintenance! Though it looks as if it would be impossible to move, the decorative dog sculpture is made of composite in a bronze finish so it's highly manageable. We also offer the bronze Great Dane in a left-facing sculpture for the best positioning in its spot in the room, and both profiles are available in gold. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
