

PEN SHELL WALL ART

Mixing composite in a dark brown finish and stainless steel brought the Pen Shell Wall Art to life. The wall sculpture is the perfect size for creating a gallery-wall installation, and the stylistic notes span from industrial chic to seaside cottage. Bringing nautical elements into a space is particularly apropos for homes that dot the shoreline but urban apartments can also benefit from a hint of sea breezes. The brown sculpture is a shoe-in for the Phillips Collection ethos, which we call modern organic.
