

BARNACLE WALL ART

Mixing composite in pale ivory hues and mirrored glass brought the Barnacle Mirror to life. The decorative mirror is the perfect size for creating a gallery-wall installation, and the stylistic notes span from Boho chic to seaside cottage. Bringing nautical elements into a space is particularly apropos for homes that dot the shoreline but urban apartments can also benefit from a hint of sea breezes. The cream sculpture is a shoe-in for the Phillips Collection ethos, which we call modern organic.
