

TALL CHISELED FEMALE SCULPTURE

Resin, Silver Leaf

Thin is in, as the saying goes, which means the Tall Chiseled Silver Female Sculpture will be a remarkably popular decorative accessory in any décor style. The patina of the chiseled surface of this very large sculptural piece makes it one of our most popular accessories. This pared-down sculpture is cast in composite in a silver leaf finish. We also offer the female sculpture in a bronze finish, and male sculptures in bronze and silver finishes. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
