

## FROZEN DINING CHAIR

Lancaster Quilted Cognac, Stainless Steel Frame

The Frozen Cognac Stainless Dining Chair is one of our most popular dining chairs. With its Lancaster quilted cognac upholstery fabric and stainless-steel frame, it is a shoe-in for both contemporary and mid-century modern interiors because we have tweaked the vintage profile to bring it seriously clean lines. Though it appears it could have been born in the swinging seventies, this is no disco-ball baby, as it was conceived by our design team in the 21st century. We offer a number of upholstery and frame finish options in this collection, and we have an arm chair in the mix. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
