

ROOT CAST COFFEE TABLE

Antique Silver Leaf, SM, Round

When we truly fall in love with a stunning piece from our Origins Collection, we immortalize that piece in cast resin to allow everyone to experience the beauty we see when gazing upon the natural curvature and organic flourishes of planet Earth's greatest works of art. The Root Cast Coffee Table finished in antique silver is undoubtedly based on one such marvel that we felt a duty to recreate and iterate upon. The material is manufactured, but the essence of the piece is still rooted in Nature. The blend of organic form and new-age design the Root Cast Coffee Table offers a space is simply unmatched.
