

VEX STOOL

Polished Bronze

The saying "less is more" is true in many aspects of life. We at Phillips Collection believe it also applies to our wonderful Vex Stool. With a minimalistic capsule shape and a lustrous polished bronze finish, this stool will effortlessly fit into a wide variety of different living spaces. The Vex Stool is a lovely addition to any indoor decor, but it can also be placed outdoors where it will develop a beautiful patina over time. We also offer this stool in an equally weather resistant black gel coat finish as well as a side table in polished bronze.
