

## CAST SONOKELING FLOOR SCULPTURE

Faux Bois

Cast in artisan-grade composite the Cast Sonokeling Faux Bois Floor Sculpture was inspired by an actual wood carving. To further the ruse that it is made of wood, we hand-painted the decorative accessory with a Faux Bois finish. This tall, thin sculpture is the perfect lightweight abstract piece for that corner of a room where a bold statement is desired without taking up too much space. This brown sculpture personifies the Phillips Collection ethos of modern organic.
