

## CAST TRIPLE WELD SCULPTURE W/BASE

Round

When we find shapes from Nature that we love, we reinterpret them and create products from composite so that the often fragile pieces turn into long-lasting works of art. Our Cast Triple Weld Tall Silver Sculpture is one of these. With a hand-applied silver leaf finish, the striated surface takes on extra depth when the finish gathers in the valleys. The base is minimal so as not to interfere with the contemporary sculpture's profile. We offer this design with a minimal base, as well. Each of these decorative accents reflects the ethos that Phillips Collection personifies: modern organic.
